Common Sense About Eczema and Eruptions!

Here's Something About S. S. S. That You'll Be Glad to Hear.

You might just as we'l know it right now,—flor cruse of skin cruptom, pimples, blackbends, tests and so on, right in the blood. There is no get-ing away from it. Science less proved We prove it. You can preve it. When the cause of skin troubles and

out the imporities which cause ergeton, tetler, rash, jumples, hols, blue kheads, blotches and other skin eruptions. When these impurities are driven out. When these imbuttles are driven out, you con't stop several very nice things from happening. Your tres turn nationally rosy. Your eyes spanile, your complexion clears. It becomes benotiful. Your face looks like that of a prosperous, rubby, well-red, refined gendeman, or if you are a woman, your complexion becomes the real kind that the whole world secrebaires, S.S., is also a necverful bedythmillar beis also a powerful bely builder, because it builds new and more ideal-cells. That's why it fills out sunken checks, bony neeks, thin limbs, helps regain lost flesh. It costs fulls to have this happen to you. S. S. S. is said at all their shapes in two since roll at all drug stores, in two sizes. The larger size is the more economical.
